General Polymers Thermoplastic Materials LLC is not a bank. General Polymers assumes a role as an unsecured creditor to your company providing materials that you use in your manufacturing/reselling business. It is our right to refuse to sell any product to any customer at any time at our discretion.

Our terms: NET 30 on approved credit (unless other terms previously approved in writing by General Polymers)

Late Payment Penalties - 1.5% per month penalty can be charged on delinquent balances.

Collection Costs – Every effort will be made to collect monies owed to General Polymers Thermoplastic Materials LLC. All costs associated with collection efforts will be assumed by your company and will be subject to late payment penalties.

This document is a binding agreement between your company and General Polymers Thermoplastic Materials LLC.
